

The Pure Marketette is a seasonal outdoor market operating in the Village of Baldwin, MI on **Wednesdays from 3-7 pm (June-end of August)**, just prior to the Sounds of Summer evening concert Series. The market may offer seasonal/holiday events depending on vendor availability and demand. Our 'Up North' themed market offers residents and visitors the opportunity to explore and meet area farmers, food producers, makers and artisans of all sorts, while connecting with community organizations, clubs, service providers and area businesses hosting demonstrations, events, classes and more. Our market increases access to fresh, affordable, healthy food choices and activities, while strengthening the local economy, building community and providing a welcoming gathering place.
