Chapter 4- Boards & Commissions

- 1.40 General Provisions. All Boards and Commissions existing at the time of the adoption of this Code shall be continued and the members serving thereon shall remain in office for the duration of the term for which they were appointed.

Chapter 6- Special Assessment Procedure

- 1.61 Definitions.

(A) Cost. The term "cost" as used in this Chapter, when referring to the cost of any local public improvement, shall include the cost of services, plans, condemnation, spreading of rolls, notices, advertising, financing, construction and legal fees and all other costs incident to the making of such improvement, the special assessments there for and the financing thereof.

(B) Local Public Improvement. The term "local public improvement" as used in this Chapter shall mean any constriction for improvement upon public property which results in special benefit to the real property in the vicinity of such improvement.

- 1.62 Authority to Assess. The entire cost of any part thereof of any local public improvement may be defrayed by special assessment upon the lands specially benefited by the improvement in the manner hereinafter provided.

- 1.63 To Initiate Special Assessment Projects. Proceeding for the making of local public improvements within the Village may be commenced by resolution of the Council, on its own initiative or by an initiatory petition signed by property owners whose aggregate property in special assessment district was assessed for more than sixty (60%) percent of the total assessed value of the privately owned real property located therein, in accordance with the last preceding general assessment roll; provided, however, that in the case of special assessments for paving or similar improvements which are normally assessed in the frontage basis against abutting property percent of the frontage of property to be assessed.

Such petitions shall contain in addition to the signature of the owners, a brief description of the property owned by the respective signers thereof. Such petitions shall be verified by the affidavit of one or more of the owners or by some person or persons with knowledge that said signers are such owners and that such signatures are genuine.

Petitions shall be addressed to the Council and filed with the Village Clerk. Petitions shall be in no event mandatory upon the Council. All petitions shall be circulated and signed on blank forms furnished by the Village.

All petitions shall be referred to the Village Clerk. The Village Clerk shall check the petitions to determine whether they conform to the foregoing requirements and shall report her/her findings to the Village Council.

- 1.64 Survey and Report. Before the Council shall consider the making of any local public improvement, the same shall be referred by resolution to the Village Street Administrator directing him/her to prepare a report which shall include necessary plans, profiles, specifications

and detailed estimated of cost, an estimate of the life of the improvements, a specifications and detailed estimates of cost, an estimate of the like of the improvements, a description of the assessment district or districts and such other pertinent information as will permit the Council to decide the cost, extend and necessity of the improvement proposed and what part or proportion thereof should be paid by special assessments upon the property especially benefited and what part, if any, should be paid by the Village at large. The Council shall not finally determine to proceed with the making of any local public improvement until such report of the Village Street Administrator has been filed, nor until after a public hearing has been held by the Council for the purpose of hearing objections to the making of such improvement.

- 1.65 Determination of the Project: Notice. After the Village Street Administrator has presented the report required in Section 1.64 for making any local public improvement as requested in the resolution of the Council, and the Council has reviewed said report, a resolution may be passed determining the necessity of the improvement; setting forth the nature thereof; prescribing what part or proportion of the cost of such improvement shall be paid by special assessment upon the property especially benefited; determining the benefits received by affected; designating the limits of the special assessment district to be affected; designation whether to be assessed according to frontage or other benefits; placing the complete information on file in the office of the Clerk where the same may be found for examination; and directing the Clerk to give notice of public hearing on the proposed improvement at which time and place opportunity will be given interested persons to be heard. Such notice shall be given by one publication in a newspaper published or circulated within the Village and by first class mail addressed to each person having interest in property to be assessed as shown by the last general tax assessment roll of the Village, said publication and mailing to be made at least ten full days prior to the date of said hearing. The hearing required by this section may be held at any regular, adjourned or special meeting of the Council. No such hearing shall be required, or notice thereof given, if a petition for such improvements is signed by all the property owners to be assessed for the improvement.
- 1.66 Objection to Improvement. If, at or prior to the public hearing on necessity as required in section 1.65, and before the adoption by the Village Council of resolution to proceed with the making of the public improvement, as provided in section 1.67, written objections thereto have been filed by the owners of property in the district which, according to the Village Street Administrator, will be required to bear more than fifty (50%) percent of the cost thereof, or by a majority of the owners of the property to be assessed, no resolution determining to proceed with the improvement shall be adopted except by the affirmative unanimous vote of the Council members present.
- 1.67 Hearing on Necessity. At the public hearing on the proposed improvement, all persons interested shall be given an opportunity to be heard, after which the Council may modify the scope of the local public improvements in such manner as they shall deem to be in the best interest of the district as a whole; provided that if the amount of work is increased or additions are made to the district, then another hearing shall be held pursuant to notice prescribed in section 1.65 improvements, a resolution shall be passed approving the necessary profiles,

plans, specifications, assessment district, and detailed estimates cost, and directing the Assessor or Village Clerk to prepare a special assessment roll in accordance with the Council's determination and report the same to the Council for confirmation.

- 1.68 Deviation from Plans and Specifications. No deviation from original plans or specifications as adopted shall be permitted by any officer or employee of the Village without authority of the Council by resolution. A copy of the resolution authorizing such changes or shall not exceed those authorized by law, the first installment being due upon confirmation of the roll. On all special assessments confirmed between January 1st and June 30th, of any year, the second installment shall be due July 1st of each succeeding year. Interest shall be charged on all deferred installments at a rate to no exceed the maximum allowed by lay for such indebtedness commencing on confirmation and payable on the due date of each installment; the full amount of all or any deferred installments, with interest accrued thereon to the date of payment, may be paid in advance of the due dates thereof. Each property owner shall have thirty (30) days from the date of confirmation to pay the full amount of said assessments. Or the full amount of any installments thereof, without interest or penalty. Following said thirty (30) days period the assessment or first installment thereof shall, if unpaid, be considered as delinquent, and the same penalties shall be collected on such unpaid assessments, first installment thereof, as are provided to be collected on delinquent general Village taxes. After the Council has confirmed the roll, the Village Treasurer to give said notice or of such owner on said roll that said roll has been filed, stating the amount assessed and the terms of payment. Failure on the part of the Village Treasurer to give notice or of such owner to receive said notice, shall not invalidate any special assessment roll of the Village or any assessment thereon nor excuse the payment of interest or penalties.
- 1.77 Creation of Lien. Special assessments and all interest, penalties and charge thereon, from the date of confirmation of the roll shall be and remain a lien upon the property assessed of the same character and effect as the lien created by general law for County and School taxes, and for Village taxes, until paid, and the lands upon which the same are a lien shall be subject to sale therefore the same which the same are lien shall be subject to sale therefore the same as are lands upon which delinquent Village taxes constitute a lien. If special assessments or installments thereof remain delinquent as of February 28th, they shall be returned delinquent, with interest, penalties and charges added, to the County Treasurer for collection in the same manner as are City, County and School taxes.
- 1.78 Additional Assessments. Refunds. The Village Street Administrator shall, within sixty (60) days after the completion of each local public improvement, compile the actual cost thereof and certify the same to the Council. When any special assessment roll shall prove insufficient to meet the cost of the improvement, compile the actual cost thereof and certify the same to the Council. When any special roll shall prove insufficient to meet the cost of the improvement for which it was made, the Council may make an additional pro rata assessment. No additional assessment for any public improvement which exceeds twenty-five (25%) percent of the original assessment shall be made, unless such additional assessment be reviewed at a meeting of the

Council, for which meeting notices shall be published and mailed as provided in the case of review of the original special assessment roll. Provided, however, that no property shall be assessed in excess of benefits received. Should the entire amount as finally collected on the assessment roll prove larger than necessary by less than (5%) percent of the total cost of the improvement or more, the Council shall make a refund of the entire amount of excess thereof pro rata according to assessments. Should the entire amount as finally collected on the percent of the total cost of improvements, the Council may transfer such excess to the general funds of the Village or make a refund thereof pro rata according to assessments.

- 1.79 Additional Procedures. In any case where the provisions of this Chapter may prove to be insufficient to carry out fully the making of any special assessment, the Council shall provide by ordinance any additional steps or procedures required.
- 1.80 Special Assessments Accounts. Moneys raised by special assessments to pay the cost of any local public improvements shall be held in a special fund to pay such cost or to repay any money borrowed therefor. Each special assessment account must be used only for the improvement project for which the assessment was levied only for the improvement project for which the assessment was levied except as otherwise provided in this Chapter.
- 1.81 Contested Assessments. No suit or action of any kind shall be instituted or maintained for the purpose of contesting or enjoining collection of any special assessment unless within thirty (30) days after confirmation of the special assessment roll written notice if filed after confirmation of the special assessment unless within thirty (30) days with the Clerk on intention to file such suit or action, stating grounds on which it is claimed such assessment is illegal, and unless such suit on which it is claimed such assessment is illegal, and unless such suit or action shall be commenced within ninety (90) days of confirmation of the roll.
- 1.82 Reassessment for Benefits. Whenever the Council shall deem any special assessment invalid or defective for any reason whatever, or if any court of competent jurisdiction shall have adjudged such assessment to be illegal for any reason whatever, in whole or in part, the Council shall have power to cause a new assessment to be made for the same purpose to cause a new assessment to be made, whether in the improvement or any part, thereof has been completed and whether any part of the assessment has been collected or not. All proceeding on such reassessment and has been collected or not. All proceedings on such reassessment and for the collection thereof shall be made in the manner as provided for the original assessment except respecting the correction of the proceeding for the purpose of making the proceedings for the purpose of making the proceedings legal. If any portion of the original assessment shall have been collected and not refunded, it shall be applied upon the reassessment and the reassessment to that extent to deemed satisfied. If more than the amount reassessed shall have been collected, the balance shall be refunded to the person making such payment.
- 1.83 Assessment of Abating Hazards and Nuisances. In the event it shall become necessary to abate a hazard or nuisance as provided by law, the Council shall determine what amounts or part of each such expense shall be charged, and the property upon which the same shall be levied as a special assessment. The Council shall require all the several amounts as determined, the

several lots or premises affected, and shall cause the persons chargeable therewith respectively, to be notified by the Village Clerk either by first class mail, or if either the owner or his address is unknown, by posting notice upon the premises affected. Such notice shall state the basis for the assessment, the cost thereof and shall give reasonable time, which shall not be less than thirty (30) days, in which payment shall be made. In all cases where payment is not made within the time limit, the same shall be reported by the Clerk to the Council which shall direct the Assessor or Village Clerk to spread such amounts against the descriptions of property chargeable therewith on the next general tax roll for collection of taxes in the Village.

- 1.84 Combination of Projects. The Council may combine several districts into the one project of purpose of effecting a saving in the costs: provided, however, that for each district there shall be established separate funds and accounts to cover the cost of the same.
- 1.91 Declaration of Purpose. The Council of the Village of Baldwin, as its legislative body, hereby declares that unsanitary and unsafe inhabited dwelling accommodations exist in the Village of Baldwin, and that there is a short of safe and sanitary dwelling accommodations in said Village available to persons who lack the amount of income necessary to enable them. Without financial assistance, including also veterans of the United States Armed Forces, to live in decent, safe and sanitary dwelling without overcrowding; and that it is for and in the public interest that the Baldwin Housing Commission is hereby created. The said Commission shall be a body corporate with the powers, duties and authority as hereinafter prescribed.
- 1.92 Members. The Baldwin Housing Commission shall consist of five (5) members to be appointed by the Village President of said Village of Baldwin who is the Chief Administrative Officer thereof, the said appointments to be subject to the approval of the Council of said Village. Each member of the said Housing Commission shall be, at the time of his/her appointment, and shall remain during the term of office of bona fide resident of the Village of Baldwin. The term of office members of said Housing commission shall be five (5) years. Chapter 2 - Water Service

2.00 MANDATORY CONNECTION TO WATER WORKS SYSTEM.

Connection required

- (1) As a matter of public health, the owners of all improved premises in the Village that are used for human occupancy, employment, recreation or other purposes, which require or need the use of potable water and which abut any right-of-way, easement, highway, street, alley or public way in which there is located, or in the future may be located, an available water main or local distribution line of the System, are hereby required, at the owner's sole expense, to directly connect all buildings and structures on the premises used for said purpose(s) to the water distribution system, provided that said water main or local distribution line is within 300 feet from the nearest point of a building or structure using or requiring potable which is located on the premises.
- (2) The Village Council, by majority vote, may exempt from the above requirement any premises that were actively using a private well that was otherwise in compliance with state law and District Health Department No. 10 regulations before February 9, 2015. If, at any time, that well fails or otherwise does not comply with state law and District Health Department No. 10 regulations, the Council may revoke this exemption and require connection under Section 2.71(1).

Connection Deadline. When connection to an available water main or local distribution line is declared a necessity by the Village for the public health and welfare, all such connections required under this Chapter shall be completed no later than 180 days after the last to occur of (a) the date the water main or local distribution line becomes available to the premises, or (b) the modification of a building so as to become a building using or requiring potable water. Newly constructed structures required to connect shall be connected prior to occupancy. Notwithstanding the preceding, if the Village Board or Health Department requires completion of a connection within a shorter period of time for reasons of public health, such connection shall be so completed. Persons who fail to complete a required connection when required shall be liable for a penalty equal in amount to the turn on charge and the applicable commodity charge that, based upon similarly situated customers, the system would have accrued and been payable, effective upon the expiration of the connection period, had the connection been made as required.

Enforcement in the event of failure to connect

- (1) If a required connection is not made within the time provided by Section 2.71, the Village shall require the connection to be made immediately after notice given by first class or certified mail or by posting on the property. The notice shall give the approximate location of the available water main or local distribution line and shall advise the owner of the affected property of the requirement and enforcement provisions provided by Village ordinance.
- (2) If the required connection is not made within 90 days after the date of mailing or posting of the written notice, the Village may bring an action in court of competent jurisdiction for a mandatory injunction or court order to compel the property owner to immediately connect the affected property.
- (3) If a property is disconnected from the System in violation of this ordinance, the property owner shall be liable for all costs associated with the property's wrongful disconnection from the System. These costs shall include, by way of illustration, repairs and maintenance necessitated by the disconnection, the

cost of installing shut-off valves or other components necessary to respond to the disconnection, any costs unique to the disconnected property that the Village incurred as part of its initial connection to the System (such as the installation of larger service lines to accommodate the property's anticipated usage needs and the cost of Village employee and contractor time associated with responding to the disconnection. Any of the above costs shall be collectible under Article II, Part 3 of the Code of Ordinances.

Private Wells Prohibited. Except as otherwise provided in Section 2.75, private water wells are prohibited on premises connected to the System. Pre-existing private water wells located on premises that are to be subsequently connected to the System shall be abandoned prior to or upon physical connection of the premises to the System. Wells shall be abandoned in accordance with applicable state law and the District Health Department No. 10's regulations.

Exceptions. Notwithstanding Section 2.74, private water wells may be maintained on premises that are connected to the System where (a) the premises maintains a closed geothermal heating system and the private well is an integral part of said system, or (b) the premises is required by applicable federal or state law, regulation or order to monitor ground water on the premises, and the well is used for groundwater monitoring purposes only. Any such private well must be physically and completely separated from all plumbing used for potable water. All piping for a private water well is subject to the cross connection provisions of the Code of Ordinances.

2.51 **Active Supervision.** The active supervision of the Water Works System shall be under the Superintendent of the Water Works System, who will exercise his supervision under the general direction of the Village Council.

2.52 **Duties of Superintendent.** It shall be the duty of the Superintendent or one of the village employees to read and repair all meters and to exercise constant watchfulness for water leaks and to see that all meters are properly sealed and that all water used on the premises is properly used as contracted for, that all service lines from the water main up to and including the meter, also the curb cocks, curb boxes and stop cocks, in connection with the meter are kept in good repair by the property owner or consumer.

2.53 **Application for Service.** No water service will be furnished or service connection made unless upon written application by the owner or his properly authorized agent, on a blank form prepared by the Village and furnished for that purpose.

A new application must be and approved by the Village Water Works Superintendent on any change in ownership or property, as described in the application, and he shall be a liberty to discontinue the water service until new application has been made and approved.

Application may be rejected and the contract cancelled by the Village Water Works Superintendent for proper cause at any time upon giving five (5) days written notice of such cancellation.

2.54 **Discontinuation of Service.** Service and application and contract may be discontinued for any of the following reasons:

- (1) For misrepresentation in application as to property or fixtures to be supplied or the use to be made of the water supply.
- (2) For adding to said property or fixtures or the use to be made of the water supply without notice to the Village.
- (3) For the use of water for any other property or purpose than that described in the application or contract.
- (4) For any tampering with the meter measuring the water supply as affect its proper operation and the registration of the water supplied or with the seals on the meter.
- (5) For waste of water through improper or imperfect pipes, fixtures, or otherwise.
- (6) For neglecting to make or renew advance payment, or for nonpayment of any account for water supplied or for meter or service maintenance.
- (7) For any tampering with any special service pipes or the seals thereon, or with the curb, stop cock, or any other appliance of the Water Department, controlling or regulating the water supply.
- (8) In case of the vacancy of the premises.
- (9) For the violation of any rules of the Water Department.
- (10) The Superintendent shall have the right to cut off the water supply without notice in the case of breakdowns or for other unavoidable causes, or for the purpose of making necessary repairs, connection, ect., or on reasonable notice when practicable.
- (11) When two or more buildings are supplied through a single service pipe, or any violation of the rules of the Department with reference to either, or any of said buildings, shall be deemed a violation as to all, and it may take such action as could be taken as to a single building.

2.55 Meters.

- (1) All new commercial services shall be metered. The Village reserves the right to place meters on services now in service as rapidly as possibly without application from the consumer.
- (2) All meters shall be located just within the foundation walls of the building supplied, unless otherwise stipulated by the Village Superintendent, and in a proper place providing protection from theft, freezing, hot water breakage, or other causes over which he/she has no control.
- (3) The consumer shall notify the Village Water Superintendent of any injury to or of the non-working of any meter in his possession. In case of disputed account, involving the accuracy of the registration of the meter, the meter shall be tested by the Village. In case of such over-registration or if the meter under- registers (4%) percent or more, the registration shall be re-adjusted to correspond and the bill corrected accordingly.

- (4) All water supplied to meter premises must pass through the meter.
- (5) No meter shall be taken off by plumbers or others, after it has been set, except under written permit and supervision of a Village employee.
- (6) The Village Water Superintendent shall have the right to determine the size of the meter required for any service.
- (7) It shall be unlawful for any person to attach a water meter to any service pipe of the Water Works System, unless said water meter shall be installed by the Village or under its supervision.
- (8) All connection or tapping of pipes belonging to the Village of Baldwin will be made by the Village or under its supervision, but in no case shall connections be made until a permit stating the size and location of the same is granted by the Village to the party desiring to connect. The size of the service pipes shall be the same as that of the tap, or of equal area. The size of taps and services shall be determined at the time of making the application for a permit, before making application for a water service. The size of services shall be determined at the time of making the application for a water service parties contemplating the erection of a large building for business block, factory, ect., must determine the size of services necessary for supplying such blocks or factory upon its completion.

2.56 Setting Meter. The meter shall be furnished by the Village and shall be set, removed, or adjusted by employees by the Village of Baldwin, and under supervision of the Village. Only one meter will be furnished for each service connection and it may be located between the main and the building, or with the building, at the option of the Village. The consumer must arrange the plumbing at his own expense so the meter may be installed at the point selected by the Village and so there shall be no fixtures connected between the meter and the main.

2.57 Accessibility of Meter. If the Village of Baldwin finds that meter seal has been broken or other positive evidence of tampering with the meter, the bill for the period will be estimated; upon repetition of the offense it shall be optional with the Village of Baldwin to discontinue the water service and collect the amount estimated due.

2.60 Testing Meter. If the consumer desires the meter tested, he shall make application in writing accompanied by the deposit of \$50.00 dollars as evidence of good faith. The test will be made according to the usual method of facilities at the disposal of the Village of Baldwin. If the test shows the meter measuring within four (4%) percent either way of accuracy, the deposit will be forfeited to cover cost, and any additional expenses of removing and testing the meter paid to the Village of Baldwin. If the test shows the measurements of the meter favor the Village more than four (4%) percent the deposit will be returned and corresponding rebate made on the consumption for the current period up to the time of the test.

2.61 Adjustment of Meter Bills. If a meter fails to register properly, the consumption for the period will be estimated from the consumption of preceding period when the water was supplied under

similar conditions and was correctly measured. If a meter reader is unable to gain access to a meter for reading, after two calls, the bill for the period may be estimated and the proper correction made on the bill for the next period. If a metered water bill appears excessive, complaint should be made to the Village Water Superintendent immediately and the meter will be re-read and reasonable assistance given in searching for waste of water.

2.62 Cross Connections.

- (1) Village of Baldwin adopts by reference the Water Supply Cross Connection Rules of Michigan Department of Public Health being R 325.431 to R 325.440 of the Michigan Administrative Code.
- (2) It shall be the duty of the Village Water Department to cause inspection to be made all properties served by public water supply where cross connections with the public water supply is deemed possibly. The frequency of inspection and inspections based on potential hazards involved shall be established by the Village of Baldwin and as approved by the Michigan Department of Public Health.
- (3) Representatives of the Village of Baldwin shall have the right to enter at any reasonable time any property served by a connection to the public water supply system of the Village of Baldwin to inspect the same for cross connections. On request, the owner, lessees or occupant of any property so served shall furnish to the inspection agency any pertinent information regarding the piping system or systems on such property. The refusal of such information or refusal of access when requested shall be deemed evidence of the presence of cross connections.
- (4) The Village Water Department is hereby authorized and directed to discontinue water service after reasonable notice to any property wherein any connection in violation of this section exists, and to take such other precautionary measures deemed necessary to eliminate any danger of non-compliance with the provisions of this section.
- (5) The portable water supply made available on the properties served by the public water supply system shall be protected from possible contamination as specified by this section and by the State Plumbing Code. Any water outlet which could be used for portable or domestic purposes and which is not supplied by the portable system must be labeled in conspicuous manner as:

WATER UNSAFE FOR DRINKING

- (6) This section does not supersede the State Plumbing Code or other provisions of this Code relating to plumbing.
- (7) Any person or customer found guilty of violating any of the provisions of this section, or any written order of the Village Water Department in pursuance thereof, shall be deemed guilty of

a violation of this Code, punishable as prescribed in Chapter 1 hereof.

2.64 Protection of City Wells. It shall be unlawful for any person to erect, maintain or use any outhouse, privy, cesspool, barn where animals are kept, manure pile, or other source of pollution within two hundred (200) feet of any well owned by the Village of Baldwin and used as a source of water supply for the people of the Village of Baldwin. Each day that any such building or source or pollution is used or maintained shall constitute a separate violation of this Code, punishable as prescribed in Chapter 1 hereof.

Chapter 3 - Water Rates

	*over 24,000 gallons= \$0.91 per 1,000 gallons

- (3) Special Rates. For miscellaneous services for which a special rate shall be established such rates shall be fixed by the Village Council.
- (4) Turn on Charges. There will be imposed a charge of \$10.00 whenever the Village re requested to turn on or off water services. Provided, however, whenever the Village is required to provide turn on or off service at the time other than regular business hours of the Village there will be imposed an additional charge of time and material plus 10%.
- (5) Fire Hydrant Rate. For water used through fire hydrant, the Village, or other municipality in which the fire hydrant is located, shall pay a charge of \$ ____ per year, which charge shall be payable in quarterly installments from the current funds of the Village, or from the proceeds of taxes which the Village, within constitutional and statutory limits, is hereby authorized and required by levy in an amount sufficient of for that purpose.
- (6) Enforcement. The charges for water service which are under provisions of Section 21, Act 94 Public Acts of Michigan, 1933, as amended, made a lien on all premises served thereby, unless notice is given that a tenant is responsible, are hereby recognized to constitute such lien and whenever such charge against any piece of property shall be delinquent for six (6) months the Village official or officials in charge of the collection thereof shall certify annually, on July 1st of each year, to the tax assessing officer of the Village, the fact of such delinquency, whereupon such charge shall be by him entered upon the next tax roll as a charge against such premises and shall be collected and the lien thereof enforced in the same manner lien thereof enforced. Provided, however, where notice is given that said in Section 21, no further service shall be rendered such premises until a cash deposit of not less than Forty (\$40.00) Dollars shall be been made as security for payment of such charges and service.

In addition to other remedies provided, the Village shall have the right to shut off and discontinue the supply of water to any premises for the nonpayment of water rates when due. If such charges are not paid within thirty (30) days after the due date thereof, when water services to such premises shall be discontinued and the unpaid balance shall constitute a lien on the premises. Water services so discontinued shall not be restored until all sums then due and owing shall be paid plus a turn on charge of \$10.00

2.111 Unauthorized Training Schools. It shall be unlawful for any person, firm or corporation to offer or provide, or hire at the Baldwin Village Airport any training, instruction or teaching for aircraft flight, ground school or aircraft instruments except in accordance with a written agreement approved by the Baldwin Airport manager. Such agreement, if any, shall be first approved by the Baldwin Village Council.

Chapter 5 – Building Sewer Maintenance

2.255 Building Sewer Maintenance. The costs of all repairs, maintenance and replacements of existing building sewers and their connection to public sewers shall be borne by the property owner. Such owner shall make application for permit to perform such work to the Village. Such costs include, but are not limited to, the installation of a shutoff valve on the building sewer if the property owner has a history of three or more consecutive months of nonpayment of its sewer bill. The text of this provision is intended to clarify existing law under the prior version of this Section, as adopted under Village of Baldwin Ordinance No. 9110.

TITLE III - PARKS AND PUBLIC GROUNDS.

Chapter 1- Parks

- 3.1 Park Designated. The parks known as Hollister Park and Baldwin Park are hereby designated as Village Parks. They shall be under the management and control of the Village Council. No use shall be made of the said parks which will interfere with the reasonable use thereof by the public for recreational purposes. The Village Council shall have exclusive control and management of all rental and leasing contracts.
- 3.2 Protection of Park Property. No person shall willfully mark, deface, disfigure, tamper with, displace or remove any buildings, tables, benches, fireplace, trees, shrubs, flowers or any other park property or appurtenances whatsoever, either real or personal. No structure, booth, tent or stall shall be erected on park property for any purpose without permission from the Village Council.
- 3.3 Refuse and Trash Disposal. No person shall dump, deposit, or leave any bottles, broken glass, ashes, boxes, cans, rubbish, waste, garbage or other trash of any nature in public park, except in proper receptacles where these are provided; where receptacles are not provided, all such rubbish or waste shall be carried away from the park by the person responsible for its presence, and properly disposed of elsewhere.
- 3.4 Traffic Regulations. No person shall fail to comply with all provisions of the State Motor Vehicle Code and all provisions of this person shall drive or park a motor vehicle on any park area except roads or parking areas, or such other areas as may on occasion be specifically designated as temporary parking areas by the Village Council.
- 3.5 Loitering and Disorderly Conduct Prohibited. No person shall sleep or protractedly lounge on seats or benches or other park areas, or engage in loud, boisterous, threatening, abusive, insulting or indecent language or behavior, or engage in any disorderly conduct or behavior which involves a breach of the public peace.
- 3.6 Ball Games. No baseball, football or softball throwing or other violent or rough exercise or play shall be engaged in, in any public park or other public place, except in areas designated therefor by the Village Council.
- 3.7 Additional Rules. The Village Council is hereby empowered to make such rules and regulations not in conflict herewith pertaining to conduct and use of parks and public grounds as are necessary to administer the same and to protect public property and safety, health morals and welfare of the public, and no person shall fail to comply with such rules and regulations.

Chapter 2- Trees

- 3.11 Definitions. The following definitions shall apply in the interpretation of this Chapter.

(1) "Street" shall mean all of the land dying between property lines on either side of all streets,

highways and boulevards in the Village.

(2) "Prohibited Species" shall mean the species of poplar, willow and box elder.

(3) "Superintendent" shall mean Street Administrator.

3.12 Permits for Tree Planting, Care, Removal. The Superintendent shall have the control over all trees located within the street right-of-way and parks in the Village and the planting, care, removal thereof, subject to the regulations contained in this Chapter. The owner of land abutting on any street may, upon obtaining prior written permission of the Superintendent, prune, spray, plant or remove trees or shrubs in that part of the street abutting his/her land not used for public travel, but no person shall otherwise prune, spray, plant or remove any tree or shrub in any street or park. Every such permit shall specify the extent of the authorization and the conditions to which it is subject.

3.13 Removal of Dead, Diseased and Prohibited Trees. All dead trees and trees affected with any fatal or communicable disease, shall be removed by the Superintendent and he/she may remove any tree of a prohibited species. The superintendent is authorized to remove any tree growing within any street, park or public place when such tree interferes with fire hydrants, sewer and water mains, visibility or street intersections, traffic control devices or construction within streets right-of way.

3.14 Tree Planting Regulations. No trees of any prohibited species shall be planted in any street or park, nor shall any tree be planted on any private property within fifteen (15) feet of any street or sidewalk right-of-way or any sewer or sewer extension. Shade trees planted in any street right-of-way shall be spaced not less than forty (40) feet apart. The owner of a signal lot may, in order to provide shade or ornamental tree in front of his lot, secure permission to plant a tree closer than forty (40) feet from an existing tree, but in no case shall such planting be within thirty (30) feet of any existing tree, within the right-of-way.

3.15 Private Trees-Diseases and Infestations. When the Superintendent shall discover that any tree growing on private property within the Village is afflicted with any dangerous insect infestation or infectious tree disease, he/she shall forthwith serve a written notice upon the owner or his/her agent, or the occupant of the property, describing the tree, its location and the nature of the infestation or tree disease and ordering the owner, agent or occupant to take such measures as may be reasonably necessary to cure such infestation or disease and to prevent the spreading thereof, specifying the measures required to be taken. Such order may require the pruning, spraying or destruction of trees as may be reasonably necessary. Every such notice shall be complied with within five (5) days after service thereof, upon the owner, agent or occupant of the property on which afflicted tree is located, or within such additional time as may be stipulated in such notice.

3.16 Appeal. In case the owner, agent or occupant of the property shall feel himself/herself aggrieved by an order of the Superintendent requiring the treatment or destruction of any tree, he/she may within forty-eight (48) hours make an appeal to the Village Council by communication filed with the Village Clerk. The Council shall hear such appeal at its next regular meeting, unless another time shall be set, and shall determine the matter under such expert advice as may be necessary.

- 3.17 Private Trees- Owners Failure to Comply. In case the owner, agent or occupant of the property refuses to carry out the order of the Superintendent within the time limited, or in cause of an appeal, with five (5) days after the Council shall have affirmed such order, the Superintendent shall carry out the pruning, spraying or destruction of the trees as deemed necessary by him and shall bill the owner, agent or occupant of the property for the cost thereof. In case the owner of such property shall fail to pay such bill within thirty (30) days after the same has been rendered, the Superintendent shall report the same to the Village Council for collection as a single lot assessment against said property shall consent thereto and pay the reasonable cost thereof, cause trees growing on private property shall consent thereto and pay the reasonable cost thereof, cause trees growing on private property to be sprays with he deems the same necessary.
- 3.18 Private Trees-Inspection. The Superintendent and his/her assistants and employees shall have authority to enter upon private premises for the purpose of examining any trees, shrubs, plants or vines for the presence of destructive insects or plant diseases.

TITLE IV - STREETS AND SIDEWALKS

Chapter I - Street Openings & Obstructions

4.1 Definitions. Unless the context specifically indicated otherwise, the following definitions shall apply in the interpretation of this Chapter:

(1) "Street" shall mean all of the land laying between property lines on either side of all streets, alleys and boulevards in the Village, and includes lawn extensions and sidewalks and the area reserved therefore where the same are not constructed.

(2) "Superintendent" shall mean the Street Administrator.

4.2 Damage and Obstruction Prohibited. No person shall make any excavation in, or cause any damage to any street in the Village, except under the conditions and in the manner permitted in this Chapter. No person shall place any article, thing or obstruction in any street, except under the conditions and in the manner permitted in this Chapter, but this provision shall not be deemed to prohibit such temporary obstructions as many incidental to the expeditious movement of articles and things to and from abutting premises, nor to the lawful parking of vehicles within the part of the street reserved for vehicular traffic.

4.3 Permits and Bonds. Where permits are authorized in this Chapter, they shall be obtained upon application to the Superintendent, upon such forms as he/she shall prescribe, and there shall be a charge of ten (\$10.00) dollars for each such permit. Such permit shall be revocable by the Superintendent or his/her duly authorized representative, and shall be valid only for the period of time endorsed thereon. Application for a permit under the provisions of this Chapter shall be deemed an agreement by the applicant to promptly complete the work permitted, observe all pertinent laws and regulations of the Village in connection therewith, repair all damage done to the street surface and installations on, over or within such street including trees, and protect and save harmless the Village from all damages or actions at law that may arise or may be brought on account of injury to persons or property resulting from the work done under the permit or in connection therewith. Where liability insurance policies are required to be filed in making application for a permit, they shall be in less than the following amounts, except as otherwise specified in this Chapter:

(1) On account of injury to, or death of, any person in any one accident: \$300,000.00

(2) On account of any one accident resulting in injury to, or death of, more than one person: \$500,000.00

(3) On account of damage to property in any one accident: \$100,000.00

A duplicate copy of the original insurance policy shall be filed with the Village Clerk.

4.4 Street Openings. No person shall make any excavations or openings in or unfed any street without first obtaining a written permit from the Superintendent. No permit shall be granted until the application shall file a liability insurance policy as required by Section 4.3.

- 4.5 Emergency Openings. The Superintendent may, if the public safety requires immediate action, grant permission to make a necessary street opening in any emergency, provided that a permit shall be obtained on the following business day and the provisions of this Chapter shall be complied.
- 4.6 Backfilling. All trenches in a public street or other public place, except by special permission, shall be backfilled with approved granular material to within twelve (12) inches of the surface. The presence of any abandoned, wrecked, dismantled vehicle or parts thereof, on private or public property is hereby declared a public nuisance. This section shall not apply to any vehicle enclosed within a building on private property, or any vehicle retained by the owner for antique collection purposes.

5.74. Notice to Remove. Whenever it comes to the attention of the Village Police that any nuisance as defined in Section 5.73 of this ordinance exists in the Village of Baldwin, a notice in writing shall be served upon the occupant of the land where the nuisance exists, or in case there is no such occupant, then upon the owner of the property or his agent, notifying them of the existence of the nuisance and requiring its removal in the time specified in this Ordinance.

- 5.75. Responsibility of Removal. Upon property notice, the owner of the abandoned, wrecked, dismantled or inoperative vehicle and the owner or occupant of the private property of which the same is located, either or all of them, shall be responsible for its removal.
- 5.76. Notice Procedure. The Village Marshall of the Village shall give notice of removal to the owner or occupant of the private property where it is located, at least seven (7) days before the time of compliance. It shall constitute sufficient notice, when a copy of the same is posted in a conspicuous place upon the property on which the vehicle is located and duplicate copies are sent by registered mail to the owner or occupant of the private property at his/her last known address.
- 5.77. Content of Notice. A violation of any of the provisions of this ordinance is a municipal civil infraction enforceable pursuant to the Municipal Civil Infraction Ordinance of the Village of Baldwin.
- 5.78. Request for Hearing. The persons to whom the notices are directed, or their duly authorized agents may file a written request for hearing before the Village Council of the Village of Baldwin within the seven (7) day period of compliance prescribed in Section 5.6 for the purpose of the defending the charges by the Village.
- 5.79. Procedure for Hearing. The hearing shall be held as soon as possible after the request and the persons to whom the notices are directed shall be advised of the time and place of said hearing at least seven (7) days in advance thereof. At any such hearing the Village and the persons to whom the notices have been directed may introduce such witnesses and evidence as either party deems necessary.
- 5.80. Removal of Motor Vehicle from Property. If the violation described in the notice has not been remedied within the seven (7) day period of compliance, or in the event that a notice requesting a hearing is timely filed, a hearing is had, and the existence of the violation is affirmed by the Village Council or its designee, the Village Marshall or his designee shall have the right to take possession of the junked motor vehicle and remove it from the premises. It shall be unlawful for any person or persons to enter upon private property for the purpose of removing a vehicle under the provisions of this ordinance.
- 5.81. Notice of Removal. Within forty-eight (48) hours of the removal of such vehicle, the Village Marshall shall give notice to the registered owner of the vehicle, if known, and also to the owner or occupant of the private property from which the vehicle was removed, that said vehicle, or vehicles have been impounded and stored for violation of this ordinance. The notice shall give the location of where the vehicle or vehicles are stored and the costs incurred by the Village for removal.
- 5.82. Disposition of Vehicles. Upon removing a vehicle under the provisions of Section 5.10, the Village shall after ten (10) days cause it to be appraised. If the vehicle is appraised a \$75.00 or less, the Village Marshall shall execute an affidavit so attesting and describing the vehicle, including the license plates, if any, and stating the location and appraised value of the vehicle. The Village Marshall, after complying with the above, may summarily dispose of the vehicle and

execute a certificate of sale. If the vehicle is appraised at over \$75.00, the Village Marshall shall give a notice of public sale not less than thirty (30) days before the date of the proposed sale.

5.83. Content of Public Sale Notice. The notice of sale shall state:

- (1) The Sale is of abandoned property in the possession of the Village.
- (2) A description of the vehicle, including make, model, license numbers and any other information which will accurately identify the vehicle.
- (3) The terms of the sale.
- (4) The date, time and place of the sale.

5.84. Public Sale. The vehicle shall be sold to the highest bidder and the best bidder. At the time of payment of the purchase price, the Village Marshall shall execute a certificate of sale in duplicate, the original of which is to be given to the purchaser and the copy thereof to be filed with the Clerk of the Village. Should the sale for any reason be invalid, the Village's liability shall be limited to the return of the purchase price.

5.85. Redemption of the Impounded Vehicles. The owner of any vehicle seized under the provisions of this ordinance may redeem such vehicle at any time after its removal but prior to the sale or destruction thereof upon proof of ownership and payment to the Village Clerk of such sum as he or she may determine and fix for the actual and reasonable expense of removal, and any preliminary sale advertising expenses, along with any storage fees plus attorney fees.

5.86. Liability of Owner or Occupant. Upon the impounding the owner or occupant of property on which the abandoned vehicles have been removed by the Village in order to pay the unrecovered expenses incurred by the Village in such removal, a lien shall be placed upon the property for the amount of each expense.

5.87. Penalty. Any person violating any of the provisions of this ordinance shall be guilty of a misdemeanor, and upon conviction shall be subject to a fine or not more than \$100.00. Each act in violation of any of the provisions hereof shall be deemed separate offenses.

All equipment, including display cases or windows, counter, shelves, tables refrigerators, stoves, hoods and sinks shall be kept clean and free from dust, dirt, insects and other contaminating material. All cloths used by waiter, chefs and other employees shall be clean. Single-service containers shall be used only once. All multi-service eating and drinking utensils shall be thoroughly cleaned and effectively subjected to an approved bactericidal process after each usage. All multi-use utensils used in the preparation of food and drink shall be thoroughly cleaned and effectively subjected to an approved bactericidal process immediately following the day's operation. Drying cloth, if used, shall be clean and shall be used for no other purpose. No article, polish or other substance containing any cyanide preparation or other poisonous material shall be used for the cleaning or polishing of utensils.
- (11) Storage and Handling of Utensils and Equipment. After bacterial treatment, utensils shall be stored in a clean, dry place protected from flies, dust and other contamination, and shall be handled in such a manner as to prevent contamination as far as practicable. Single-service utensils shall be purchased only in sanitary containers, shall be stored therein in a clean, dry place until used, and shall be handled in a sanitary manner.
- (12) Disposal of Wastes. All wastes shall be properly disposed of, and all garbage and trash shall be kept in suitable receptacles, in such manner as not to become a nuisance.
- (13) Refrigeration. All readily perishable food and drink shall be kept at or below the level of refrigeration required by the Department of Health. Waste water from refrigeration equipment shall be properly disposed of.
- (14) Wholesomeness of Food and Drink. All food and drink shall be clean, wholesome, free from spoilage, and so prepared as to be safe for human consumption. All milk, fluid milk products, ice cream and other frozen desserts served shall be from approved sources. Milk and fluid products shall be served in the individual, original container in which they were received from the distributor or from a bulk container equipped with an approved dispensing device; provided, that this requirement shall not apply to cream, which may be served from the original bottle or from a dispenser approved for such service.

- (15) **Storage, Display and Serving Food.** All food and drink shall be stored, displayed and served as to be protected from dust, flies, vermin and pollution by rodent, unnecessary handling, droplet infection, overhead leakage and other contamination. No animals or fowls shall be kept or allowed in any room in which food or drink is prepared or stored. All means necessary for the elimination of flies, roaches and rodents shall be used.
- (16) **Cleanliness of Employees.** All employees shall wear clean garments and shall keep their hands clean at all times while engaged in handling food, drink utensils or equipment. Employees shall not expectorate or use tobacco in any form in rooms in which food is prepared.
- (17) **Miscellaneous.** The premises of all restaurants shall be kept clean and free of litter or rubbish. None of the operations connected with a restaurant shall be conducted in any room used as living or sleeping quarters. Adequate lockers or dressing rooms shall be provided for employees' clothing and shall be kept clean. Soiled linens, coats and aprons shall be kept in containers provided for this purpose.
- 5.93. **Examination and Condemnation of Food.** Samples of food, drink, and other substances may be taken and examined by the Health Officer as often as may be necessary for the detection of unwholesomeness or adulteration. The Health Officer may condemn and forbid the sale of, or cause to be removed or destroyed and food or drink which is unwholesome or adulterated.
- 5.94. **Licenses.** No person shall operate a restaurant in the Village who does not possess an unrevoked license of current issue. No such license shall be granted except upon certification of the Health Officer. Only persons who comply with the requirements of this chapter shall be entitled to receive and retain such license. This fee for such license shall be Twenty-five (\$25.00) dollars per year.
- 5.95. **Enforcement.** The Health Officer shall have the authority and duty to enforce this Chapter.
- 5.96. **Inspection.** At least once every six (6) months, or as often as necessary, the Health Officer shall inspect every restaurant located within the Village. The Health Officer shall have authority to enter any building or part thereof which is used, or which he/she has reason to believe is used for storage, preparation, sale, serving or distribution of food or drink for human consumption and to inspect the premises, furniture, equipment, dishes or utensils used therein, to determine whether or not the sanitary requirements of this Chapter are complied with.
- 5.97. **Violations.** If, on inspection, the Health Officer finds any violation of the requirements of this Chapter, he/she shall issue an order to the licensee or person in charge of the restaurant directing the correction of such violation within such reasonable time as he/she shall deem proper.
- 5.98. **Failure to Correct Violations.** If the Health Officer finds a continuation of the violations upon a second inspection after such reasonable time, he/she shall suspend the license of the restaurant until such violations have been corrected.
- 5.99. **Immediate Suspensions.** If the Health Officer finds unsanitary conditions in any restaurant such that it would be immediately dangerous to the health of the general public, he/she shall then give

a written notice to the licensee or the responsible representative in charge stating his/her reasons for closing the restaurant. Continuing to operate after receipt of such written notice shall constitute a violation of this Code.

5.100. Disease Control. No person who is affected with any disease in a communicable form or is a carrier of such disease shall work in any restaurant, and no restaurant shall employ any such person or any person suspected of being a carrier of such disease. If the restaurant manager suspects that any employee has contracted any disease in a communicable form or has become a carrier of such disease, he/she shall notify the Health Officer immediately.

5.101. Procedure When Infection Suspected. When suspicion arises as to the possibility of transmission of infection from any restaurant employee, the Health Officer is authorized to require any or all of the following measures:

- (1) The immediate exclusion of the employee from all restaurants;
- (2) The immediate closing of the restaurant concerned until no further danger of disease outbreak exists, in the opinion of the Health Officer;
- (3) Adequate medical examination of the employee and his/her associates, with such laboratory examination as may be indicated.

Chapter 6 - Dangerous Structures

6.1. Unlawful Conduct. It is unlawful for any owner or agent thereof to keep or maintain any dwelling or part thereof which is a dangerous building as defined in Section 6.2. A violation of this Chapter is a Municipal Civil Infraction.

6.2. Definition. As used in this Chapter, "dangerous building" means any building or structure which has any of the following defects or is in any of the following conditions:

- (1) Whenever any door, aisle, passageway, stairway or other means of exit does not conform to the approved fire code of the Village.
- (2) Whenever any portion has been damaged by fire, wind, and flood or by any other cause in such a manner that the structural strength or stability is appreciable less than it was before such catastrophe and is less than the minimum requirements of the building code of the Village for a new building or similar structure, purpose or location.
- (3) Whenever any portion or member or appurtenance is likely to fall or become detached or dislodged, or to collapse and thereby injure persons or damage property.
- (4) Whenever any portion has settled to such an extent that walls or other structural portions have materially less resistance to winds than is required in the case of new construction by the building code of the Village.
- (5) Whenever the building or structure or any part, because of dilapidation, deterioration, decay, faulty construction or because of the removal or movement of some portion of the ground

necessary for the support of such building or portion thereof, or for other reasons, is likely to partially or completely collapse, or some portion of the foundation or underpinning is likely to fail or give way.

- (6) Whenever for any reason whatsoever the building or structure or any portion is manifestly unsafe for the purpose for which it used.
- (7) Whenever the building or structure has been so damaged by fire, wind or flood or has become so dilapidated or deteriorated as to become an attractive nuisance to children who might play therein to their danger, or as to enable persons to resort thereto for the purpose of committing a nuisance or unlawful or immoral acts.
- (8) Whenever, a building or structure used or intended to be used for dwelling purposes, because of dilapidation, decay, damage or faulty construction or arrangement or otherwise, is unsanitary or unfit for human habitation or is in a condition that is likely to cause sickness or disease when so determined by the Village official or is likely to work injury to the health, safety or general welfare to those living within.
- (9) Whenever any building becomes vacant and/or dilapidated, leaving the interior of the building exposed to the elements or accessible to entrance by trespassers.

6.3 Notice: Contents: Municipal Civil Infraction.

- (1) When the whole or part of any building or structure is found to be in a dangerous or unsafe condition, the authorized Village official shall issue a notice of the dangerous and unsafe condition.
- (2) Such notice shall be directed to each owner of, or party in interest in the building in whose name the property appears on the last local tax assessment records.
- (3) The notice shall specify the actions necessary to cure the defect and the time to take corrective action.
- (4) Failure to restore the structure to a safe condition within the specified time period, constitutes a violation of this ordinance enforceable pursuant to the Municipal Civil Infraction Ordinance of the Village of Baldwin.

6.4. Penalties.

- (1) In addition to the penalties provided pursuant to the Municipal Civil Infraction Ordinance, if the owner, agent, or lessee fails to comply with a court order to demolish or otherwise make safe a building or structure, the Village may take the necessary corrective action.
- (2) If it is necessary for the Village to demolish or make the building safe, the cost of doing so shall be a lien against the real property and shall be reported to the Village assessor who shall assess the cost against the property on which the building or structure is located.

- (3) The owner or party in interest in whose name the property appears upon the last local tax assessment records shall be notified of the amount of such costs by first class mail at the address shown on the records. If he/she fails to pay the same within 30 days after mailing by the assessor of the notice of the amount thereof, the assessor shall add the same to the next tax roll of the Village and the same shall be collected in the same manner in all respects as provided by law for the collection of taxes by the Village.

TITLE VI.

Chapter 1 - Licenses

- 7.1. License Required. No person shall engage in the operation, conduct or carrying on of any trade, profession, business or privilege for which any license is required by any provision of this Code without first obtaining a license from the Village in the manner provided for in this Chapter. Any person duly licensed on the effective date of this Code shall be deemed licensed hereunder for the balance of the current license year.
- 7.2. State License Businesses. The fact that a license or permit has been granted to any person by the State of Michigan to engage in the operation, conduct or carrying on of any trade, profession, business or privilege shall not exempt such person from the necessity of securing a license or permit from the Village if such license or permit is required by this Code.
- 7.3. License Applications. Unless otherwise provided in this Code, every person required to obtain a license from the Village to engage in the operation, conduct or carrying on of any trade, profession, business or privilege shall make application for said license to the Village Clerk upon forms provided by the Clerk and shall state under oath or affirmation such facts as may be required for, or applicable to, the granting of such license.
- 7.4. License Year. The license year shall begin on January 1st of each year and shall terminate at midnight on December 31st of that year. Original licenses shall be issued for the balance of the license year at the full license fee. License applications for license renewals shall be accepted and licenses issued for a period of fifteen (15) days prior to the annual expiration date. In all cases where the provisions of this Code permit the issuance of licenses for a period of less than one (1) year, the effective date of such license shall commence with the date of issuance thereof.
- 7.5. Where Certification Required. No license shall be granted where the certification of any officer of the Village is required prior to the issuance thereof until such certification is made.
- 7.7. Village Marshal's Certificate. In all cases where the certification of the Village Marshal is required prior to the issuance of any license by the Village Clerk, such certification shall be based upon a finding that the person making application for such license is of good moral character.
- 7.8. Late Renewals. All fees for the renewal of any license which are not paid at the time said fees shall be due, shall be paid as "late fees" with an additional twenty-five (25%) percent of the license fee required for such license for the first fifteen (15) days that such license fee remains unpaid, and thereafter the license fee shall be that required for such license, plus fifty (50%) percent of such fee.
- 7.9. Rights to Issuance. If the application for any license is approved by the proper officers of the Village, as provided in this Code, said license shall be granted and shall serve as a receipt for payment of the fee prescribed for such license.
- 7.10. Suspension or Revocation. Any license issued by the Village may be suspended by the Village President for cause, and any permit issued by the Village may be suspended or revoked by the

issuing authority for cause. The Licensee shall have the right to a hearing before the Village Council on any such action of the Village President, provided a written request therefor is filed with the Village Clerk within five (5) days after receipt of said notice of such suspension. The Council may confirm such suspension or revoke or reinstate any such license. The action taken by the Council shall be final except for review by any court having jurisdiction. Upon suspension or revocation of any license or permit, the fee therefor shall not be refunded.

- 7.11. "Cause" Defined. The term "cause" as used in this Chapter shall include the doing or omitting of any act, or permitting any condition to exist in connection with any trade, profession, business or privilege for which a license or permit is granted under the provisions of the Code, or upon any premises or facilities used in connection therewith, which act, omission or condition is:
- (1) Contrary to the health, morals, safety or welfare of the public;
 - (2) Unlawful, irregular or fraudulent in nature;
 - (3) Unauthorized or beyond the scope of the license or permit granted, or
 - (4) Forbidden by the provisions of the Code or any duly established rule or regulation of the Village applicable to the trade, profession, business or privilege for which the license or permit has been granted.
- 7.12. License Renewal. Unless otherwise provided in this Code, an application for renewal of a license shall be considered in the same manner as an original application.
- 7.13. Exhibition of License. No licensee shall fail to carry any license issued in accordance with the provisions of the Chapter upon his/her person at all times when engaged in the operation, conduct or carrying on of any trade, profession, business or privilege for which the license was granted; except that where such trade, profession, business or privilege is operated, conducted or carried on at a fixed place or establishment, said license shall be exhibited at all times in some conspicuous place in such a place of business. Every licensee shall produce his/her license for examination when applying for a renewal thereof or when requested to do so by the Village Marshall or by any person representing the issuing authority.
- 7.14. Exhibition of Vehicle and Machine. No licensee shall fail to display conspicuously on each vehicle or mechanical device or machine required to be licensed by this Code such tags or stickers as are furnished by the Village Clerk.
- 7.15. Displaying of Invalid License. No person shall display any expired license or any license for which a duplicate has been issued.
- 7.16. Transferability: Misuse. No license or permit issued under the provisions of this Code shall be transferable unless specifically authorized by the provisions of this Code. No licensee or permittee shall, unless specifically authorized by the provisions of this Code, transfer or attempt to transfer his/her license or permit to another nor shall he/she make any improper use of the same.
- 7.17. Misuse - Automatic Revocation. In addition to the general penalty provision for violation thereof,

any attempt by a licensee or permittee to transfer his/her license or permit to another, unless specifically authorized by the provisions of the Code, or to use the same improperly shall be void and result in the automatic revocation of such license or permit.

Chapter 2- Fees & Bond Required

7.18. Schedule Established. The fee required to be paid and the amount of any bond required to be posted to obtain any license to engage in the operation, conduct or carrying on of any trade, profession, business or privilege for which a license is required by the provisions of the Code shall be as hereinafter provided in this Chapter. No license shall be issued to any applicant unless he/she first pays to the Village Clerk the fee and posts a bond in the amount required for the type of license desired.

7.19. Fees for Licenses. Fees for licenses shall be as prescribed in the following section of this Chapter under the business, trade, occupation or privilege to be licensed. Bonds, where required, shall be in the amount listed beneath the license fee prescribed for such business.

7.20. License for:

Peddler

Per Year \$500.00

Per Day \$50.00

Solicitor

Per Year \$500.00

Per Day \$50.00

Traveling Show or Amusement \$50.00

7.30 Uninvited Entry Prohibited. The practice of going in and upon the premises of private residences in the Village of Baldwin, Michigan, by canvassers, solicitors, so-called agents, peddlers, hawkers, itinerant merchants and transient vendors, not having been requested or invited so to do by the owner or owners, occupant or occupants, of said private residences, for the purposes of soliciting orders for the sale of goods, wares and merchandise, and/or for the purpose of disposing of and/or pedaling or hawking the same, and/or for the purpose of displaying such goods, wares and merchandise and for the purpose of soliciting or procuring contributions or donations in exchange for or in connection with the distribution of goods, wares, merchandise or other things, having become persistent, frequent and common, being a great annoyance to such owners or occupants and to the public at large, as well as in many instances resulting in the defrauding of such owner or occupants and in some instances, various violations of the laws while upon such premises, and being in general injurious to the public welfare, is hereby declared to be a public nuisance, and is prohibited and punishable, as such public nuisance, as a violation of the Code.

- 7.31. Peddler Defined. The word "peddler" as used in this Chapter shall include any person traveling by foot, wagon, automotive vehicle or other conveyance, from place to place, from house to house, or from street to street, carrying, conveying or transporting goods, wares, merchandise, meats, fish, vegetables, fruits, garden truck, farm products or provisions offering and exposing the same for sale or making sales and delivering articles to purchasers, or who, without traveling from place to place, shall sell or offer the same for sale from a wagon, automotive vehicle, or other vehicle or conveyance. Any person, who solicits orders and as a separate transaction makes deliveries to purchasers as part of scheme or design to evade the provision of this Chapter, shall be deemed a peddler. The word "peddler" shall include the words "hawker" and "huckster".
- 7.32. License Required. No person shall engage in the business of peddler without first obtaining a license therefor. No such license shall be granted except upon the certification of the Village Marshall.
- 7.33. Fixed Stand Prohibited. No peddler shall stop or remain in any one place upon any street, alley or public place longer than necessary to make a sale to a customer wishing to buy. Any peddler using a vehicle parallel to and within twelve (12) inches of the curb and shall depart from such place as soon as he has completed sales with customers actually present.
- 7.34. Prohibited Areas. No peddler, in the sale of goods, wares and merchandise, shall obstruct any street, alley, sidewalk or driveway except as may be necessary and reasonable to consummate a sale nor remain, barter, sell, offer or expose for sale any goods, wares or merchandise in front of or at the side of any property against the wish or desire of the property owner or the tenant or occupant of such property. No peddler shall engage in peddling on any street, alley or public place after having been requested to desist by any officer of the Village or the Village Marshall because of congested or dangerous traffic conditions.
- 7.35. Curb Service Prohibited. No person shall operate or maintain any stand, vehicle, store or place of business on or near any highway in such a manner that the customers of or traders with such person occupy or congregate within the limits of any street, lane, highway or public place within the Village. No person shall be permitted to use the streets, alleys, lanes or public places of the Village for the service of customers or for the transaction of business, or to use any stands, stores or other places of business in any manner that shall require the customer, when transacting business, to stand with the limits of the streets, highways, alleys or public places of the Village.
- 7.36. Practices Prohibited. No peddler shall shout or cry out his goods or merchandise, not blow any horn, ring any bell or use any other similar device to attract the attention of the public.
- 7.37. Exempt Persons. The following shall be exempt from the licensing requirements of this Article but shall be subject to the other provisions hereof: Any person when engaged in peddling on foot under the direct supervision of any school or recognized charitable organization or religious organization.
- 7.38. Solicitor Defined. The word "solicitor" as used in this chapter shall include any individual, whether a resident of the Village or not, traveling either by foot, wagon, automobile, motor truck or any other type of conveyance, from place to place, from house to house, or from street to street,

taking or attempting to take orders for sale of goods, wares and merchandise, books or magazines, personal property of any nature whatsoever for future deliver, or for services to be furnished or performed in the future, whether or not such individual has, carries or exposes for sale a sample of the subject of such sale or whether he/she is collecting advance payment on such sales or not, and such definition shall include any person who, for himself/herself, or for another person, hires, leases, uses or occupies any place in the Village for the sole purpose of exhibiting samples and taking orders for future deliver. The work "solicitor" shall include the work "canvasser".

- 7.39. License Required. No person shall engage in the business of solicitor within the Village without first obtaining a license therefor. No such license shall be granted except upon certification of the Village Marshall.
- 7.40. License Application. The license application filed under the provisions of this Code shall furnish the following information:
- (1) Name and Description of the applicant.
 - (2) Permanent home address and full local address of the applicant.
 - (3) A brief description of the nature of the business and the goods to be sold.
 - (4) If employed, the name and address of the employer, together with the credentials establishing the exact relationship.
 - (5) The length of time for which the right to do business is desired.
 - (6) The place where the goods or property proposed to be sold, or orders taken from the sale thereof, are manufactured or produced, where such goods or products are located at the time said application is filed and the proposed method of delivery.
 - (7) A photograph of the applicant, taken within sixty (60) days immediately prior to the date of the filing of the application, which picture shall be two inches by two inches (2" by 2") showing the head and shoulders of the applicant in a clear and distinguishing manner.
 - (8) The fingerprints of the applicant and the names of at least two reliable property owners of the County of Lake, State of Michigan who will certify as to the applicant's good character and business responsibility, or in lieu of the names of references, such other available evidence as to the good character and business responsibility of the applicant as well enable an investigator to properly evaluate such character and business relationship.
 - (9) A statement as to whether or not the applicant has been convicted of any crime, misdemeanor or violation of any municipal ordinance, the nature of the offense and the punishment or penalty assessed therefor.
- 7.44. License Fees. The fees for a solicitor's license shall be as specified in this Code. No fee for a solicitor's license shall be so applied as to occasion an undue burden upon interstate commerce. In

any case where a license fee is believed by a licensee or applicant for a license to place an undue burden upon interstate commerce, he/she may apply to the Village Council for an adjustment of the fees so that it shall not be discriminatory, unreasonable, or unfair as to such commerce. Such application may be made before, at or within six (6) months after payment of the prescribed license fee. The applicant shall, by affidavit, and supporting testimony, set forth his/her method of business and gross volume or estimated gross volume of business and such other information as the Village Council may deem necessary in order to determine the extent, if any, of such undue burden on such commerce. The Village Council shall conduct an investigation, comparing applicant's business with other businesses of the like nature and shall make findings of fact from which it shall determine whether the fee fixed for the solicitor's license is unfair, unreasonable or discriminatory as to applicant's business and shall fix as the license fee for the applicant, an amount that is fair, reasonable and non-discriminatory, or, if the fee has already been paid, shall order a refund of the amount over and above the fee so fixed. In fixing the fee to be charged, the Village Council shall have the power to base the fee upon a percentage of gross sales, or any other method which will assure that the fee assessed shall be uniform with that assessed on businesses of like nature, so long as the amount assessed does not exceed the fee as prescribed by this Code. Should the Village Council determine the gross sales measure of the fee to be the fair basis, it may require the applicant to submit, either at the time of termination of applicant's business in the Village or at the end of each three month period, a sworn statement of the gross sales and pay the amount of fee therefor, provided that no additional fee during any one license year shall be required after the licensee shall have paid an amount equal to the annual license fee as prescribed in this Code.

- 7.45. Exempt Persons. Persons engaged in soliciting on foot in the neighborhood under the direct supervision of any school or recognized charitable or religious organization shall be exempt from the requirements of this Article.

Chapter 4 - Transient Merchants

- 7.50. License Required. No person shall engage in a temporary business of selling goods, wares or merchandise at retail within the Village from any lot, premises, building, room or structure, including railroad cars, without first obtaining a license therefor. No such license shall be granted except upon certification of the Village Marshall and Village Treasurer.
- 7.51. Temporary Business Defined. Every person engaged in the retail sale and delivery of goods, wares or merchandise shall be deemed to be engaged in carrying on a temporary business unless his/her goods, wares or merchandise shall have been assessed for taxation in the Village during the current year.
- 7.52. Indebtedness to the Village. No license shall be granted to any person owing any personal property taxes or other indebtedness to the Village, or who contemplates using any personal property on which personal property taxes are owing in the operation of such business.
- 7.53. Benefit Sales. Any person selling or offering for sale any goods, wares or merchandise on behalf of and solely for the benefit of any recognized charitable or religious purpose shall, not be required

to have a license.

- 7.54. Exemption. Persons conducting a business licensed under another provision of this Code shall be exempt from the requirements of this Chapter.

Chapter 5 - Second Hand Junk Dealers

- 7.60. License Required. No person shall engage in the business of dealer in second hand goods or junk dealer without first obtaining a license therefor. Such license shall be issued by the Village President in accordance with the provisions of Act 350 of the Public Acts of 1917, as amended (MCL, Sec. 445.401 et seq.). The fee for such licenses shall be as specified in this Code.

- 7.61. Statutes Applicable. Except as otherwise provided in this Chapter, the provisions of Act 350 of the Public Acts of 1918, the amended, and the provisions of Act 231 of the Public Acts of 1945, as amended (MCL, Sec. 445.471 et seq.) shall apply to licensees under this Chapter. Any licensee who shall violate any provision of said statutes shall be guilty of a violation of this Code and punished as prescribed in Chapter 1 hereof.

- 7.62. Fence. Every licensee hereunder who stores any junk other than in a completely enclosed building shall construct and maintain a fence completely enclosing the yard or area where such junk, waster material, second hand goods or automobiles are stored. Such fence shall be a minimum of eight (8) feet in height; shall be constructed of wood or metal; posts shall be a maximum of ten (10) feet in centers and bottom and top stringer equivalent to at least a two by four (2" by 4") shall be utilized. Posts shall be of wood or metal and wooden posts shall be treated with wood preservatives where they come in contact with the ground. Sheeting shall be of sufficient strength to provide a strong, durable surface to the fence and shall be completely solid so as to allow no view of the contents inside.

The fence shall be completely painted to provide a neat, sanitary appearance after erection. No signs or lettering shall be allowed on the fence, except by the approval of the Building Inspector. No sign shall be posted on the fence.

A sketch of the fence showing the size and type of material to be used and details of construction shall be submitted for the Building Inspector prior to the construction.

Chapter 6 - Gasoline Stations

- 7.71. Permit Required. No gasoline station shall be constructed in the Village unless and until an application for a permit to do so shall be filed with the Village Clerk and the Village Council authorizes the issuance of a permit therefor. The fee for such permit shall be as specified in this Code.

- 7.72. Applications. Applications for the construction of a gasoline station shall contain the following: An estimate of the cost of the building to be erected; an estimate of the cost of the equipment, tank, pumps and other incidental equipment to be installed upon the premises; a legal description of the lands upon which the same is to be constructed; the nature of the materials to be used in the

construction of the building; the shortest distance from the lot line upon which said station is to be constructed to the nearest lot line of each church, hospital, public or private school, public park or auditorium if there be any within five hundred (500) feet of the same. A blue print containing the specification, lot lines, dimensions of the building and lot, and the character of the adjoining properties shall be attached to such application and be considered a part thereof.

- 7.73. Standards for Permit Grant. No permit shall be granted for the construction of a gasoline station in any location where, by reason of traffic conditions, public use of adjoining property, or fire or explosion hazard, a filling station would imperil the public safety, public health or general welfare of the inhabitants of the Village.
- 7.74. Presentation to Council. The Village Clerk shall present such application to the Village Council at the next regular or special meeting after the same shall have been presented the her/him, and the council shall have a reasonable time thereafter within which to investigate the conditions under which such gasoline station is proposed to be constructed and to fully consider the same.
- 7.73. Existing Stations. This chapter shall not apply to gasoline stations in existence on the effective date of this Code unless structural alterations are thereafter made.

TITLE VII. - BUILDING REGULATIONS.

Chapter 1 - General Building Regulations

8.1 State Code Enforcement. The BOCA Codes shall be enforced within the Village of Baldwin.

TITLE VIII. - POLICE REGULATIONS.

Chapter 1 - Animals

- 9.1. Cruelty to Animals. No person shall cruelly treat or abuse any animal or bird.
- 9.2. Poisoning Animals. No person shall throw or deposit any poisonous substance on any exposed public or private place where it endangers or is likely to endanger any animal or bird.
- 9.3. Birds and Birds' Nests. No person, except a police officer acting in his/her official capacity, shall molest, injure, kill or capture any wild bird, or molest or disturb any wild bird's nest of the contents thereof.
- 9.4. Goats, Cattle, Horses and Swine Prohibited. It shall be unlawful for any person to keep live goats, cattle, horses or swine on any premises within the Village except in slaughterhouses or yards adjacent thereto.
- 9.5. Registration. Whenever any person claims the right to keep animals or fowl other than household pets, or has three (3) or more dogs and/or three (3) or more cats, he/she shall prior thereto secure a kennel license from Lake County Animal Control.

DOGS

- 9.11. Presumption of Ownership. Any person who shall permit any dog to remain about any premises owned or occupied by him/her for a period of five (5) days shall be deemed the owner of such dog for the purpose of this Chapter.
- 9.12. Restrictions. No person owning, possessing or having charge of any dog, four (4) months of age or older, shall permit such dog:
 - (1) To be at large unless in the custody of some person.
 - (2) If vicious, to be at large any time unless securely muzzled and led by a leash, and any dog shall be deemed vicious which has bitten a person or domestic animal without molestation, or which, by its actions, gives indication that it is liable to bite any person or domestic animal.
 - (3) To be at large at any time unless vaccinated against rabies within the past year and unless such dog shall have a tag on its collar showing such current vaccination: provided, this subsection shall apply only to dogs six (6) months of age or older.
 - (4) If a female dog, to be at large when said dog is in heat.
 - (5) To be an annoyance or nuisance in the vicinity where kept because of loud or frequent or habitual barking, yelping or howling, or by reason of damaging or trespassing on the property of others.
- 9.13. Seizure and Impounding of Dogs. Any dog found at large in the Village which is doing any of the acts enumerated in, or at large under circumstances prohibited by section 9.12, or which is suspected of

having rabies or of having bitten any person or animal, may be seized and impounded by the Village Marshall.

- 9.14. Dogs - Rabies Prevention.
